I, \_\_\_\_\_, authorize Global Parcel Services, a DHL Authorized Reseller, to charge my credit card above for freights, fees and surcharges relating to agreed upon DHL transactions. My credit card information will be saved on file for future transactions on my account.

I also understand that, given the nature of DHL business, the final charge amount to my credit card may vary from the quoted amount by GPS, due to the discrepancies on weights/measurements, government fees and unforeseeable surcharges

GPS may opt to charge the quoted amount to your credit card. You will receive invoices with detailed charges of your DHL shipments, via email from BILL ( [www.bill.com](http://www.bill.com) ) in about 2 weeks after the shipments take place.

In case of discrepancies between quoted amount and billed amount, Global Parcel Services will:

- In case the invoice amount is lower, keep the difference in your account as credit.
- In case the invoice amount is higher, charge the difference to your credit card.

The authorization will remain in effect until the expiration date, unless you contact GPS to cancel it.
